

Dear President Obama:

You are familiar with the fact that your staff, including, Mr. Emanuel, Plouffe, Daly, Strickland, Holder, Chu, Gibbs, Axelrod, Carny, McDonough, Rattner, and others, all of whom, suddenly, quit their federal jobs, when exposed, did a bad thing.

They arranged with campaign financiers, including Mr. Musk, Westly, Jurvetson, Schmidt, Doerr, and others, to exchange government contracts, tax waivers, grants, stock valuation increases, stock holding assets and tax credits for campaign support.

This has come to be known as the “CleanTech Scandal”. It has been deeply documented in numerous lawsuits; the 60 Minutes Episode called: “**The CleanTech Crash**”; Many published GAO investigations; the in-progress FBI case which began with the FBI Solyndra raid; Over 100,000 news stories which deal with the following keywords: “Corruption, steven chu, department of energy Solyndra”; U.S. Senate ethics investigation documents, and thousands of other published, and broadcast materials. In fact, there is now, so much published evidence, proving that this scandal took place, that it is impossible to deny. There are now millions of pages of evidence, and hours of recordings that provide irrefutable proof.

To date, federal, and news, investigators have documented over a “trillion dollars in losses to taxpayers” from this incident.

We are the victims of this scandal. We are the companies, and individuals, that your Administration invited into the program, so it would look good, in the beginning. Your staff, knew, though, from Day One, that the money had already been set-aside for Mr. Musk, Westly, Jurvetson, Schmidt, Doerr, and others. The money was hard-wired, ahead of time. All of our time and money, spent at the request of your people, was worthless, and your people knew it, and lied to our faces.

While your people knew it all along, we sure hope you didn't know it. That would just be a very sad situation for The Nation.

So all of us were lied to, and forced to spend our time and money on a federal program that we were never going to be allowed to help with. Bright Automotive, Aptera, Brammo, Zap, XPV, and all of the rest, were just being used as a cover for a game that was already rigged.

You owe us our expenses for the damages your people cost us because of those lies and abuses.

As if that wasn't bad enough, when we cooperated with federal investigators, who were looking into these abuses of taxpayer resources, your people put hit-jobs on us. Your offices, and campaign financiers, ordered their associates: Media Matters, Gawker Media, In-Q-Tel, New America Foundation, Think Progress, Google, and others, to attack us. Your people tried to wipe us out, in retribution for helping the cops. The attacks were ten times worse than the whole "Lois Lerner"- type attacks.

That was pretty unkind.

You owe us for the losses suffered from these character assassination and employment database attacks. Your people made sure all of us could not work again. We plan to use our free time to prevent these kinds of abuses, starting with the 2016 elections.

On top of all that, you, personally, owe us an apology.

These were your people, on your watch. The buck stops at the Oval Office.

We look forward to your phone call. DOJ has our numbers.

Sincerely,

The Victims, and their families, from the "Cleantech Crash"
