THE HARD, COURT-READY, FACTS SPEAK FOR THEMSELVES:

THESE ARE THE FACTS THAT CALIFORNIA SENATORS, WHO OWN STOCK IN TESLA, WANT COVERED UP:

WHY DOES EVERY FAMOUS PERSON THAT GETS HIRED BY TESLA END UP QUITTING?

- Because Tesla tells these people a load of BS to get them to sign on. Then, when they see what is really going on at Tesla, they run for the hills. The crime, corruption fraud and cronyism at Tesla is self-evident once you are inside the Tesla cesspool. They find out, later, things like:

- *"His corrupt cobalt mines promote genocide in the Congo as seen in NETFLIX Black Earth Rising"*
- *"His corrupt cobalt mines promote mass rape in the Congo as seen in NETFLIX Black Earth Rising"*
- *"His corrupt cobalt mines promote child slave labor in the Congo as seen in*

NETFLIX Black Earth Rising"

- *"His is not faithful to his girlfriends"*
- *"The workers that build his batteries die or sicken from toxic poisoning"*
- *99% of every web comment, blog item or news story about Tesla or Elon Musk is bought and paid for by Elon Musk in order to hype up Elon Musk's self-image as a 'socialist tech god' "*
- *"Tesla bribes U.S. Senators with cash and stock in order to get free taxpayer funds"*
- *"He is addicted to drugs and booze"*
- *"He has sociopath mental issues"*
- *"He is a narcissist"*
- *"His partner: Steve Jurvetson, has been charged with sex and corruption issues"*
- *"He arranged government kick-backs with the White House"*
- *"He is the world's biggest government mooch"*
- *"He is a member of the Palo Alto Mafia"*
- *"Larry Page is Musk's bromance buddy and he uses Google to cover-up Musk's scandals"*
- *"His so-called 'foundation' is just a payola and tax evasion scam for his family"*
- *"His batteries are the most dangerous use of lithium ion storage ever conceived"*
- *"His partner: Panasonic has been charged with multiple corruption, dumping, price rigging and manipulation crimes around the globe"*
- *"Almost all of the internet 'Tesla Fanboys' are Russian troll farms and hired bloggers that Musk pays vast amounts of money to in order to hype up a fake image for him. Musk is 100% bull-shit"*
- *"His SpaceX is nothing more than a domestic spy satellite company"*
- *"Musk's brain chip company tortures small animals in bad science experiments"*
- *"His father screwed his daughter and got her pregnant"*
- *"Dianne Feinstein and her family own Musk interests"*
- *"You can't put out the fires when his batteries explode"*
- *"The fumes from his thermal battery vapors give you cancer, lung and brain damage"*

EVERYTHING ON THIS WEBSITE IS FROM EXPERT KNOWLEDGE, EMPLOYEE TESTIMONY AND SENIOR STAFF FROM TESLA. ALL OF THIS WILL STAND UP IN COURT; AND IN A GRAND JURY; AND IN FRONT OF CONGRESS IN A LIVE PUBLIC HEARING.

MOST OF THESE REVELATIONS ARE BACKED UP BY SWORN

**STATEMENTS TO THE FBI, SEC AND CONGRESSIONAL COMMITTEES,
AS WELL AS DEEP JOURNALISTIC INVESTIGATIONS.**

The CleanTech Crash:

Every single Dept of Energy executive, and related Senator, owns stock market assets in Tesla, Fisker, Solyndra, Ener1, etc. so they blockaded and sabotaged every applicant who competed with their holdings in a RICO-violating, felony organized crime, using taxpayer funds. Elon Musk, Steve Jurvetson, Tim Draper, Steve Spinner, Steve Westly, et al...organized the attacks and lobbying. Demand a Congressional Special Counsel investigation!

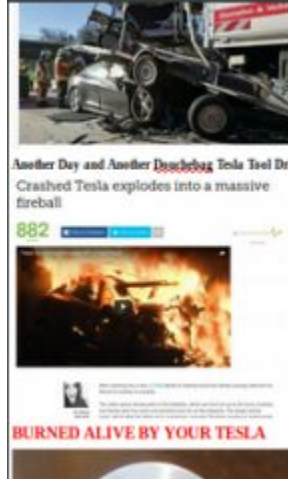

TOXIC FUMES FROM TESLA FIRES

ABOUT FAKE NEWS:

Any news outlet or news network that hides, or refuses to publish, these articles is revealing itself to be a **Fake News Shill Propaganda Operation** working as an information manipulation operation for the #PaloAltoMafia and Elon Musk's Deep State political corruption program! Contact each article author to debate any points in their article. Almost every article has a by-line.

Google, Elon Musk's political and financial partner ([Google Leaked](#)), is the world's largest mass public information manipulation and mass voter behavior modification service and will not allow this site to be equally visible on the internet in order to protect their stock market and political investments.

We have demanded FBI, SEC, FTC, FEC, NHTSB and Congressional

investigations and those have now begun!

Together, we all got Elon Musk fired as CEO, now we need to have him arrested for RICO crimes, bribery, tax evasion, stock market manipulation, fraud, safety-lies, tort-based interference, anti-trust violations, illicit revolving door payola and more...!

Yet another Tesla Model S has burst into flames, getting the new year of its Norwegian owner off to a bad start. The electric sedan caught fire while plugged into a SuperCharging station in Oppland, Norway.

THE STUPID, UNSAFE, DEADLY ENGINEERING OF ELON MUSK'S PANASONIC LITHIUM ION BATTERY PACK IS THE MOST DANGEROUS USE OF LITHIUM BATTERIES EVER DEvised!!! MUSK DID IT BECAUSE OF HIS CRONY PAYOLA SCHEME WITH PANASONIC TO DUMP THESE KINDS OF BATTERIES ON THE MARKET. THESE BATTERIES WERE NEVER MADE FOR CARS AND MUSK'S LOBBYISTS KEEP BRIBING THE **NHTSB** TO HOLD OFF ON OUTLAWING THEM! TESLA MOTORS CARS ARE A SEVERE DANGER TO THE PUBLIC DUE TO MANY, MANY SAFETY DEFECTS IN HIS ENGINEERING!

CENSORSHIP:

We placed autonomous monitoring applications on a vast number of co-location servers, shared hosting ISP's, stand-alone servers and sites around the world over ten years ago and monitored: 1.) Google's search results compared to other search engines, 2.) Google's DNS and spoofing activities, 3.) Google's results on 100 key search terms including search terms of assets, candidates and business associates connected to Google (ie: "Obama", "Elon Musk", "Election Results", etc.), 4.) Where Google sends data from users clicking on Google supplied links, 5.) Where fabricated "mole" data that was injected as user data ultimately ended up later, and other metrics. The results prove that Google abuses the market, the public, politics and human rights.

Feel free to contact each entity, above, for a case status update on the crimes documented here.

"CORRUPTION" is when an elected official takes your tax money and puts that money in their pockets and the pockets of their financiers while using government resources to sabotage competitors. Help make sure those people are exposed, doxed and arrested! We do!
