

The Clinton Foundation collected over \$2 billion and consumed 94% of that cash in "mysterious" expenses. (politics)

For context: the Clinton Foundation has more overhead than Ford despite manufacturing no products and having no research and development costs, having almost no advertising expenses, running and insuring and powering no factories and having less than 1% of the staff (*the Clinton Foundation employees 2000 people whereas Ford employees 201,000*).

Paying off hit men, all around the world is profoundly costly, one would imagine.

Stuffing pantsuits with cash too.

The Clinton's are officially worth \$240 million, but I bet they have billions in off-shore bank accounts.

They transferred \$1.8 Billion dollars to a Qatari bank before the election . . . Qatar has no extradition agreements with us.

Assassinating anyone brave enough to attempt to testify against the Clintons doesn't come cheap either!

Remember how they "raised" money for Haiti? Well, that all went to Chelsea's wedding dresses.

Nah, Donald Trump raised this issue during the presidential debates (*ya know, those debates where CNN gave the DNC the questions in advance*): Even though Hillary Clinton begged students and single parents for campaign donations... which she made a \$1.2 billion bonfire out of... she never personally contributed a dime.

Our elected official here in Canada thinks it's a good idea to give the Clinton Foundation 20 million Canadian dollars. Interesting.

Edited for amount.

20 non profit charity organizations are listed on the CF 50K and above donor list, probably more but I didn't scroll down to the 25K donors. Soliciting for charity, then turning around and giving it to the Clinton Foundation which absorbs 94% of that for themselves. Makes no sense at all except if they're buying access to something.

Yet Congress and the media can find nothing wrong. There will always be criminals, the problem is a government that is so corrupt that it covers for them. You have to wonder what it is the Clintons have on them that has them so terrified.

Note. Firemans fund gives 2% toward their "cause". NP's are great for finding ways to spend their donations on anything but their cause. ASK b4 you give...99% of thw NP'S spend more on administration than they do on their mission. Truth. Clintons are criminals and will be locked up...including their ape faced daughter.
